SHRM HR Certified Training Program

Secure your place in today's rapidly changing field of Human resources. The official SHRM Learning System will provide a general overview of current topics in the field of HR as well as help prepare individuals for the PHR or SPHR certification exams. PHR/SPHR certification provides a nationally recognized credential and demonstrates the HR professional's commitment to current trends and developments in the field. The SHRM Learning System course is segmented into six learning modules that cover HR topics that are most relevant to today's HR profession and are tested on the HR Certification Institute exams.

Program Modules

- Strategic Management
- Workforce Planning & Employment
- Total Rewards
- Human Resource Development
- Employee & Labor Relations
- Risk Management

Who Should Attend

- HR Professionals with at least 2 years exempt level experience
- HR Professionals planning to take the PHR or SPHR certification exam
- HR Professionals pursuing a broad overview of HR management
- HR Professionals seeking professional development to advance their careers.
