Lynne Mills and Dixie Kuehn have served individual and business employee benefit needs for over sixteen years.

As independent agents, they have the flexibility of representing a variety of insurance companies and products. They are committed to providing affordable employee benefit options that are designed to meet your needs:

- Individual and group health, dental, vision, life & disability insurance
- Health savings accounts
- Section 125 plans
- Voluntary benefits
- Legal insurance for family and business
- Medicare supplements
- Long-term care insurance

Their clients receive:

- An annual market analysis of available plans and rates prior to your renewal
- Overseeing of annual enrollment meetings and one-on-one meetings throughout the year for new employees
- Prompt (usually same-day) responses to questions, claims assistance and customer issues
- “Hands-on” attention to detail in every aspect of your customer service
- Assistance with Cobra compliance
- Complimentary Human Resources website, customized for your business

They know that your organization has one unique, competitive advantage – your employees. Their knowledge, skills and enthusiasm are key to your success. As you know, one of the best ways to retain good employees is to provide them with the peace of mind that comes with a good insurance package.

Lynne and Dixie are eager to learn how they may be of service to you.

They look forward to hearing from you and thank you for considering their agency.
